BISHOP SCOTT GIRLS' SCHOOL

Dear Parents,

Warm greetings from Bishop Scott Girls' School, Patna!

As the sun shines brighter and the summer break begins, we want to ensure our young learners in Grade 2 have a perfect blend of relaxation and meaningful learning. We have thoughtfully and carefully designed this year's Holiday Homework to be more than just "schoolwork" so that our young learners meaningfully enjoy their time. Our goal is to keep their curious minds active through fun, hands-on activities that strengthen the concepts we've covered in class while sparking their creativity and encourage independent learning in a fun and simple way.

We kindly seek your support in helping your child to complete the work neatly. Encourage them to think, explore, and express their ideas on their own, as this builds confidence and a sense of responsibility.

Here are a few suggestions:

- a. Encourage outdoor play by taking them to a park or garden. Reduce screen time by limiting access to television and mobile phones.
- b. Make reading a habit by reading aloud or encouraging independent reading. We highly encourage daily storybook reading.
- c. All work should be done neatly and in the child's own handwriting to build motor skills.
- d. The completed holiday homework must be submitted to the concerned subject teachers on 22.06.2026 (Monday).

We wish our students a joyful, safe and productive summer break. May this vacation bring happiness, learning and memorable moments for your family.

Thank you for your cooperation.

Warm regards,

Bishop Scott Girls' School, Patna
