BISHOP SCOTT GIRLS' SCHOOL

Dear Parents,

Warm greetings from Bishop Scott Girls' School, Patna!

As we approach the much-awaited summer vacation, we would like to take this opportunity to thank you for your continued support and cooperation throughout the session. The vacation is a wonderful time for children to relax, rejuvenate, and also engage in meaningful learning experiences at home.

To ensure that our young learners stay connected with their studies in a fun and engaging way, we have designed a Holiday Homework booklet for Class III. The activities included are thoughtfully planned to enhance your child's creativity, reading, writing, and thinking skills. These tasks are simple, enjoyable, and encourage independent learning.

We kindly request you to:

- Guide your child to complete the work neatly and regularly.
- Encourage them to do the work on their own to build confidence.
- Motivate them to read storybooks and practice good habits during the holidays.

Please ensure that the completed holiday homework is submitted on **22.06.26 (Monday)**. Regularity, neatness, and creativity will be appreciated.

We wish all our students a joyful, safe, and productive summer break. May this vacation bring happiness, learning, and memorable moments for your family.

Thank you for your cooperation.

Warm regards,
Bishop Scott Girls' School, Patna
