BISHOP SCOTT GIRLS' SCHOOL

Dear Parents,

Warm Greetings from Bishop Scott Girls' School, Patna!

“Sunshine is the best medicine for a creative mind.”

It's time to celebrate — **Summer Holidays** are here!

This break is the perfect canvas for your child to paint with new experiences and creative ideas. We encourage our students to use this time to play, reflect, and share special moments with family. Your guidance and love are what make their holiday truly shine.

We are excited to see the original work and creative energy the children will bring back with them.

Kindly take note of the following:

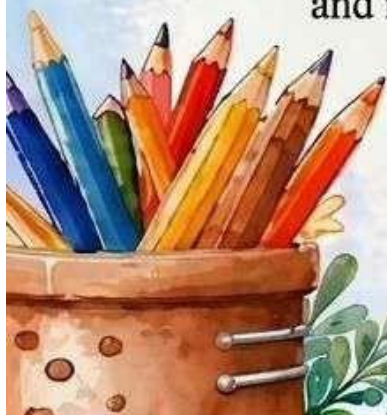

- Ensure that your child carries out the work in an organised and consistent manner.
- Encourage independent effort to strengthen their confidence.
- Foster a habit of reading and maintaining good daily practices during the break.

Submission of the completed holiday homework should be done on **22.06.26 (Monday)**. Sincerity, neatness, and creativity will be appreciated.

We wish all our students a joyful, safe, and productive summer break. May this vacation bring happiness, learning, and memorable moments for your family.
